

2010-HASH - BALI

Join an Aussie Hash pilgrimage to Bali!

All Hashers invited for the weekend of September 9-13, 2010

Come for a cheap hashing in Asia experience; fun, beer, runs, nightlife or just laze by the pools with 24 hour swim up bars. If you missed out last year, do not miss this year, planned to be even better.

Plan is:

- You book your own flights and accommodation at either of the hash hotels we have chosen.
- Let Gotabit know you are coming and where you are staying, so we can advise of further information.
- All the weekend festivities are all organised. Rego fee to be determined shortly – will be cheap.
- Just make sure you get on the plane!!!
