

POORMAN'S NASH '21 CERVANTES 19-21 MARCH 2021

Rocky City H3

HHHi Hashers,

Adelaide Nash Hash has changed the date from March to November 2021 but not all of us can wait that long so Rocky City Hash, Hamersley Hash and Hangover Bay Hash have organised a Poorman's Nash Hash.

A bit of History for those that don't know, Poorman's Hash was started for the Pleb's that couldn't make Interhash back in the early 2000's. This one will be the 5th Poorman's.

Everyone is welcome (Even Eastern State's) but remember Cervantes is a small town so you would need to organise your accommodation pronto.

Overnight camping is available on the oval for a small fee to the caravan park.

In true Poorman's style there will be a small fee of \$25 payable by the 28th Feb to cover the cost of the Run Drink Stop, Circle Drinks & Nibbles and a feed for Saturday Night plus Brekky Sunday morning. The rest you pay for yourself. Rego goes up to \$50 on the 1st March and \$75 cash on the day.

You will be able to buy drinks from the Cervantes Footy Club during Hash Time and afterwards at the Sportsman Club if you can make it that far. The Sportsman Club will be providing a band for the night as well.
